Safety Council Manager

Ty Stewart

Akron Foundry Company

July Marks the Beginning of the New Year for the CAK Safety Council

We want to extend our sincere thanks to our outgoing Steering Committee members: Chief Wincik, Ted Weinsheimer, Eric Schnabel and Karl Kussow for all their assistance over the past year. Join us in welcoming our new members: Scott Dodson, Kayley Miller and Ty Stewart!

July's Featured Program...

Speaker: Dr. Sandra Fakult, Director, Medical Operations for Eastern OH & Western PA

Topic: Heat Stress

Date: July 25, 2018

Time: 7:30 AM - 9:00 AM

Site: MAPS Air Museum

Dr. Fakult's Biography

Dr. Fakult is a licensed physician with 21 years of experience in the fields of internal, urgent care and occupational medicine. She graduated from Case Western Reserve University with an MD degree and worked for University Hospitals of Cleveland prior to joining Concentra in 2011. Initially a Center Medical Director in Willoughby, her responsibility has grown to include oversight of 11 centers in Eastern Ohio and Western PA. She is now the Director of Medical Operations for this region and is a member of Concentra's Travel Health and Infectious Disease Medical Expert Panel. She loves what she does: Improving the health of America's workforce, one patient at a time.

A representative from the Squincer Corporation will also be on hand to give a brief presentation on their products and will be available to talk with members before and after the meeting. The Squincer Corporation, offering innovative hydration dispensing methods to match whatever challenges you face, was started in 1975 in Columbus, Mississippi when founder Mack Howard had the idea of creating an alternative sports drink that could compete against Gatorade. After consulting with one of his friends, who was a sports trainer, he crafted a new sports drink called Squincer.

Upcoming Meeting Dates:

July 25

August 22

September 26

October 24

DEB'S SAFETY CORNER

Q: Could you briefly review storage for compressed gas cylinders?

A: Yes; according to the OSHA Regulations and Ohio Administrative Codes:

Oxygen cylinders in storage should be **separated** from fuel-gas cylinders and/or combustible material (especially oil or grease) a minimum distance of 20 feet or by a non-combustible barrier at least 5 feet high having a fire resistance rating of at least 1/2 hour OAC 4123:1-5-16-(E)(2)(b)(i) / OSHA 29 CFR 1910.253(b)(2)(ii);(4)(iii)

When not in use, cylinders should be **protected** from any excessive heat radiating objects or open flame OAC 4123:1-5-16(E)(2)(b)(ii) / OSHA 29 CFR 1910.253(b)(2)(i)

Close valves on oxygen and acetylene cylinders and bleed off hose pressure after use to prevent damage to regulators and gauges OAC 4123:1-5-16(E)(2)(d) / OSHA 29 CFR 1910.253(b)(5)(ii)(G)

Provide facilities for **securely fastening** cylinders of compressed gas in an upright position, such as ropes, chains, etc OAC 4123:1-5-16(E)(2)(f) / OSHA 29 CFR 1910.253 (b)(2)(ii); (3)(ii); (5)(iii)(A)

Replace the valve protection cap when a cylinder is not connected for use OAC 4123:1-5-16(E)(2)(c)(ii) / OSHA 29 CFR 1910.253(b)(2)(iv)

Provide check valves and/or flashback arresters on the oxygen and acetylene hoses OSHA 29 CFR 1910.253(e)(3)(ii)(A),(B) & (C)

Except for cylinders that are in use, you should **limit the total gas capacity** to 2000 cubic feet or 300 pounds of liquefied petroleum gas OSHA 29 CFR 1910.253(b)(3)

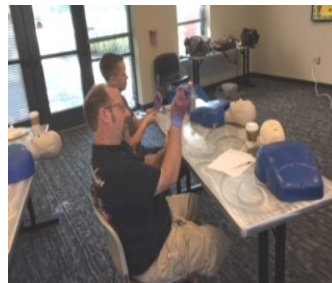

From Last Month...

Our June meeting featured Kurt Kollar, Ohio EPA, Emergency Response On-Scene Coordinator, discussing the agency's Emergency Response Program.

First Aid/CPR Training

CAK members enjoyed the First Aid/CPR training given by Instructor Joseph Rody, Shull Medical on July 9th at the Green Library.

CONGRATULATIONS!

CAK Safety Council won BWC District's "Stand Down Challenge"

25.3% of our member companies completed training with their employees!

What's New for the 2018-19 Year?

SPONSOR A SAFETY COUNCIL MEETING

Did you know your company could sponsor a safety council meeting? This is a great way to reach 80+ companies and highlight your services. A \$50 sponsorship includes your corporate logo in our newsletter, five minutes of business-related commercial time at the podium, a table for display items, an opportunity to give away promotional items and two complimentary breakfast meals.

Interested in sponsoring a meeting or need more information? Email or call Alice at:

caksafety@northcantonchamber.org
330-499-5100

50/50 RAFFLE

We will be holding a 50/50 raffle at each monthly meeting. One lucky winner will receive 50% of the ticket sales that morning. The membership will be polled to determine where to donate the remaining monies, i.e., a specific charity or charities, a scholarship, etc. We welcome your ideas!

If interested in entering the raffle, tickets will be \$1 each or 6 for \$5. (please bring correct change)

Thank you!
